The team at Pro Performance Cricket are excited to announce our 2019 Easter holiday cricket camps & T20s. Catering for ages 7 - 16 we offer intensive individual and group skill development for all ages and stage across all facets of the game. With an excellent coach to player ratio and incorporating current and former first class cricketers it's a perfect environment for the kids to get up close and personal with the Pro's while having heaps of fun, making new friends and taking their game to a new level.

#### Social Awareness and Charity

We want our players to have a strong social awareness and sense of community and thus have formed a relationship with the Charity HeartKids NSW of which our friend and coach Beau Casson is an ambassador. 5% of camp funds will go to support children with Heart Disease and their families. It's a chance for our players to "give back" and also a healthy reminder of how grateful we should all be to involved with a wonderful game, in a beautiful country with our health and happiness.
