## COME AND SAY FAREWELL TO BLOCKS ONE AND TWO

WE'RE BUILDING AN INNOVATION PRECINCT IN THEIR PLACE!

Please join us for complimentary drinks and nibbles on the grassed area outside the Farmhouse.

After drinks and nibbles, a presentation will be held inside Kristie's Café (located in Block 1) for a presentation of the plans for the new innovation precinct.

Attendees will then have time to reflect on the buildings and their memories of them.
