

PHONES FOR THE Wednesday, 27 March

Information for Parents and Caregivers

Why is this happening?

This approach is in line with best practice educational research and is being implemented to:

- reduce distractions and increase engagement with classroom teaching
- increase face-to-face interactions between students
- promote student health and wellbeing
- reduce the potential for student exposure to negative \bullet impacts of the digital world, such as cyberbullying.

Student use of mobile phones and wearable devices

- If students choose to bring their phone to school, they must switch it off and keep it in their locker during school hours.
- Smartwatches can be worn, however notifications must be switched off.
- This includes during lessons and break times, as well as other school activities.

How will this work?

Every morning students will be required to switch their phone off and put it in their locker prior to the commencement of Tutor group at 8:35am.

Phones will stay in student lockers throughout the day and students are not allowed to send or receive calls or messages at any point during the school day.

Students are responsible for their phone during the school day.

At the end of the school day and when leaving the school grounds, students can remove their phone from their locker and switch it on.

Common questions
