School Colours and Blazer Embellishment Policy

Criteria for the Awarding of School Colours and Blazer Embellishments

School Colours and Blazer Embellishments are awarded to recognise participation and excellence in the following areas: *Academic, Sport, Music, Leadership, Service* and other extracurricular activities. They are awarded to those students who, through their zeal, participation and example, typify the ideals, ethos and philosophy of the School.

General Criteria for the Awarding of School Colours

Recipients of School Colours must demonstrate:

- Excellence in and a strong personal commitment to a range of School activities over a significant period of time.
- Excellence in manner and behaviour in accordance with and support for the School.
- An active involvement in the life of the School.
- Appropriate grooming and presentation.
- Reliability.
- On at least **Green Level** in Global Citizenship program.

School Colours and Blazer Embellishments will be presented at an Assembly or at a Extracurricular Assembly.

Colours and Embellishments Committee

The Colours and Embellishments Committee consists of:

- Deputy Headmaster (Chairperson)
- Director of Curriculum
- Extracurricular Coordinator
- Head of Sport Development
- Head of Extracurricular Music

The role of this Committee is to verify colour points, consider nominations and recommend to the Principal the awarding of Colours and Embellishments, on the basis of students' achievement in Academic, Sport, Music, Leadership and Service activities.

School Colours and Blazer Embellishment Policy

Principal's Award

A Principal's Award (Academic) may be presented to a student who achieves Academic Success at a National Level e.g., The Australian Science Olympiads.

A Principal's Award (Cultural) may be presented to a student who achieves Cultural Success at a National Level e.g., Selection in the Australian Schools National Debating Team.

A Principal's Award (Sport) may be presented to a student who achieves Sporting Success at a National Level e.g., Selection in the Australian Schoolboys Water Polo Team.

A Principal's award (Service) may be presented to a student who demonstrates conspicuous service to others, within the School or wider community (e.g. SES or other Volunteering opportunities).

Criteria for Awarding of School Colours

School Colours are awarded to students in Years 7 to 12 who accumulate points for involvement and/or achievement in any approved extracurricular aspect of School life, as well as for academic excellence or significant service. (See Appendix 'A')

Points are awarded at the end of a Trimester (TAS Sport) or at the end of Term 3 (for All Year Activities). Coaches of Sport or Teachers in Charge of an Activity are responsible for completing a Colours Points List and forwarding it to the Extracurricular Coordinator.

A total of 20 points is required for the award of a First Colour – worn as a full colour pocket (red) on the School Blazer. Students who have not been awarded a School Colour may wear only an outline badge on the School Blazer.

Should a student qualify for the award of a Second Colour (by accumulating a total of 30 points), a gold laurel wreath may be embroidered around the full colour badge on the pocket.

A Principal's Award is presented to any student who accumulates 40 points or more. The award is in the form of an Embellishment on the Blazer Pocket.

A concession is given to students who enter the School after Year 7.

YEAR OF ENTRY	POINTS REQUIRED FOR FIRST COLOUR	POINTS REQUIRED FOR SECOND COLOUR
11	8	12
10	12	18
9	16	24
8	18	28
7	20	30

There is no concession for a Principal' Award

School Colours and Blazer Embellishment Policy

One or two points are awarded each year for each extracurricular activity approved by the Principal. The points may, however, be withheld if the student is regarded as having been insufficiently responsible in carrying out his/her commitments to the team or club (e.g., not in good standing), or if he/she, has in any way brought discredit to the School (e.g., Orange Level breach of the School's Code of Conduct). To be in 'good standing', a team member should attend at least 80% of training and matches. Reasons for not attending training or matches must be conveyed to the Coach or Teacher in Charge, preferably before the event.

The Committee will make recommendations to the Principal, in terms of which Sports and Activities will earn points toward a Colour Pocket, or Awards which may lead to an Embellishment on the Blazer.

Sporting Embellishments are determined by the Colours and Embellishments Committee at the end of each Trimester of Sport. Academic Embellishments are determined by the Committee at the end of Semester 2. Cultural and other Embellishments are recommended to the Committee by the Head of Extra-curricular Music, House Leaders, or Coordinators of Activities as they become known.

Awards are ultimately ratified by the Principal.

A record of student extracurricular participation and achievement is maintained in TASS and a copy kept by the House Leader.

Blazer Embellishments

Apart from a Colour Pocket, a student may record on his/her Blazer **particularly meritorious achievements**, once approval has been given by the Principal. (See Appendix 'B' and 'C').

All embellishments are followed by the award/ year of award.

Most Prestigious Award

In any sport or activity, only two Embellishments for a particular Sport/Activity are permitted in any year eg, If a swimmer is in the Open Girls Team, the Open Girls Team wins the Open Age Group Trophy, the School wins the Aggregate Girls Trophy and then the School wins the overall Co-Ed Trophy, the embellishment would read:

Swimming TAS ** ** 2023

All three would not be embellished on the blazer. The embellishment *Swimming Open Girls Champions* would be omitted as it is the lesser of the three.

Note: ** denotes a Mitre symbol which is substituted for a Championship, Premiership, 1st Place, Gold or Platinum Award.

Combining of Awards

If a student is a member of a Team / Ensemble two years in succession and that Team / Ensemble wins Premierships / Awards in both of those years, only one embellishment is permitted with the addition of the year.

e.g. Cricket 1st XI ** 2022/2023
Wind Ensemble ** 2022/2023

If a Team or Ensemble wins more than one Premiership / Award in any one year, both are to be included in the one Embellishment.

e.g. Volleyball 1st ** ** 2023
Senior Strings ** ** 2023

Multiple Embellishments

TAS rules are quite clear with regards to selection of teams and replacements during a game: No student shall play in more than one team on the same day unless, as a reserve, he/she replaces an injured (or absent) player in a higher age or grade, provided that the maximum playing time of 90 minutes on any one day not be exceeded for Rugby players.

Therefore, no student can be awarded embellishments for two different teams in any one year. Players playing up either as a replacement player for one or more games or as a reserve (bench player) in any number of games, cannot be awarded an embellishment for both teams; that is, if the lower and higher team were Premiers and/or the higher team being the First team in that sport.

e.g. Rugby Yr 10 ** 2023
Rugby 1st XV 2023

Students should only send their blazer for embellishments at the end of a sports season.

School Colours and Blazer Embellishment Policy

Example 7

If a student is a member of a 1st XI Football Team, for example, that wins a Premiership, the student will have one embellishment:

*Football 1st XI ** 2023*

Example 8

Where a student gains an embellishment for the same extracurricular activity for two consecutive years, the second year is added to the embellishment (see current criteria) eg,:

1st XI Cricket 2022/2023

Example 9

If the student is part of a group that wins a championship in the second, not the first year, the embellishment would be:

*1st XI Cricket 2021/**2023*

In all cases, a certificate is given to the student listing each award. It is only the Blazer Embellishment which is modified.

Questions about embellishments should be referred to the Extra-curricular Co-ordinator or Deputy Principal.
