

2024 YEAR BOOK

64TH EDITION

St Paul's
School

Acknowledgement of Country

St Paul's would like to acknowledge the Traditional Owners of the land where our School is situated, the Turrbal people. We pay our respects to Elders past, present and emerging.

We seek to grow a culture of friendship and partnership between St Paul's School and Aboriginal and Torres Strait Islander peoples, organisations and communities.

St Paul's School is committed to reconciliation with First Nations Australians and recognise the utmost importance of reconciliation for our society and the future of our nation.

We will strengthen and foster our relationships with Aboriginal and Torres Strait Islander peoples with a commitment to positive and inclusive practices in our curriculum and policies.

Principal's Report

Principal

John O'SULLIVAN
WILLIAMS

As we look back on the year that was, I'm proud to reflect on the incredible journey we've taken together. This has been a year of growth, learning, and shared achievements, and I'm delighted to share these reflections with you.

WATCH THE END OF 2024 PRINCIPAL'S ADDRESS

Deputy Principal Report

Deputy Principal

Jon ANDREWS

2024 has been an eventful year at SPS. Characteristically it has been busy, but full of opportunities for our students to engage their talents, uncover interests, and discover ways of getting the most out of their schooling.

Camps, Sport, Music, Dance, Debating, Cadets, DLV's, Service-Learning and the many more opportunities we provide, seek to create the environment, connections, and challenges to nurture growth, foster belonging, and inspire personal excellence for each student in the school. Ensuring that students are engaged in exceptional learning opportunities beyond the classroom, is a key to a holistic education.

We have seen very strong participation from students across the school in 2024, resulting in a great many successes for individuals and teams in their chosen activity, with good numbers going on to compete at higher representative levels. Moreover, it is most encouraging that students recognise how challenging themselves to be involved for the first time (or in a continual way), is something of considerable benefit to having a fulfilling experience of an SPS education.

The School continues to foster strong community relations through our rich Service-Learning, outreach and extra-curricular activities, and significantly, we are very proud to have formulated a comprehensive Reconciliation Action Plan using staff, students, families, and support from the Anglican School's Commission. The official launch will mark an important milestone for SPS, and will be celebrated in 2025.

We thank and congratulate all of our staff, volunteers, alumni and parents who have given so generously of their time, effort, and experience to make school life and our range of activities so purposeful and impactful.

SPS is an inclusive and diverse school, something we are deeply proud of. As we look forward, we are committed to enhancing yet further the ways our students and families can engage fruitfully with the excellent opportunities on offer, as a community. This is an exciting time to be at SPS.

Director of Teaching and Learning Report

Director of Teaching and Learning

Karen MADDEN

As you turn the pages of this book, I hope you will experience the sense of satisfaction that comes from knowing you have contributed something of value to your School community this year.

Whether you are a parent who has provided an excellent education for your child, a teacher who has shared your passion for learning with your students, or a student who has discovered an interest by trying something new, I hope you feel proud of the part you have played in this vibrant learning community.

Sometimes, we are able to contribute in ways that make a big splash. In these moments, our efforts are made visible through awards or applause, and we can be grateful to be part of a community who celebrates our achievements with us. Most of the time though, our contributions are quieter, more like ripples under the surface where nobody else notices them. Recording the events of the year as we do in this yearbook, provides us with an opportunity to take a moment for ourselves to think back and honour our own efforts. We don't always need someone else to take notice for us feel pride in the way we have participated, the way we have challenged ourselves, and the ways in which we have grown. I hope this yearbook provides you with such a moment.

As I look through these pages, I feel proud to have become a member of a community that offers so much opportunity to its students. I look forward to being a part of more moments to come, the big splashes and the quiet ripples alike.

Director of Wellbeing Report

Director of Wellbeing

Erica TRUDGIAN

As another year draws to a close, it's a privilege to reflect on the remarkable growth and resilience shown by our students in the wellbeing space. This year has been one of shared experiences, new challenges, and community spirit, all underpinned by the dedicated efforts of our staff to help all our students thrive.

The year began with our Year 7 students embarking on their first school camp at Mapleton, forging new friendships and embracing challenges with enthusiasm. As the year unfolded, camps continued to offer opportunities for adventure and growth, with our Year 8s at Noosa, Year 9s at Emu Gully, and Year 10s tackling a scorching four days of bike riding and exploration in Kenilworth. Each camp brought its own triumphs and moments of perseverance, building resilience and camaraderie among our students.

Leadership development also shone brightly this year. Our Year 11 students participated in a two-day leadership training program where they tested their limits and explored their leadership potential. The two days culminated in a social at Eaton's Hill Hotel where students dressed up in style and danced the night away.

In September, we announced our 2025 Student Leaders, who began their journey with an intensive conference in Caloundra designed to hone their leadership potential and explore the goals they wish to set for the School in 2025.

Parents played a vital role in the wellbeing journey, attending several events aimed at helping them navigate the challenges of parenting in the digital age. Guest speakers included Brad Marshal (the Unplugged Psychologist) and Dr Justin Coulson, one of Australia's foremost parenting experts. We're grateful to the hundreds of parents who joined us for these events – a School community is so much more effective when parents and teachers walk together.

We celebrated key milestones for our Senior students including the Year 12 Formal at Victoria Park, their beautiful Valedictory Service at St John's Cathedral, followed by a Gala Dinner at the Pullman Hotel. These moments highlighted the culmination of years of growth and effort, not just for students but for the families and staff who have supported them along the way.

This year has been a testament to the strength of our community and the shared commitment to helping every individual reach their personal excellence.

Director of **Junior School** Report

Director of Junior School

Marianne CONNOLLY

As we reflect on 2024, one thing stands out to me: the incredible power of our SPS village. This year, we've embraced both challenges and opportunities, and through it all, we've seen the strength of our community in action.

The saying "It takes a village to raise a child" perfectly captures the essence of what makes our Junior School so special. It speaks to the idea that a child's growth and success are not the work of one person alone but of an entire community coming together to provide support, nurture, and opportunities.

This year, our "village" has taken on new meaning, especially as we've navigated our refurbishment program and introduced our temporary village spaces. These transitions remind us that a little discomfort can lead to greater rewards when we work together for the collective good.

We've witnessed countless moments that highlight the beauty of our village life. Whether it's the vibrant Diwali celebration that showcased our cultural diversity, a teacher going above and beyond to support a family, or a student stepping up to help a peer, these moments demonstrate the care and connection that define our community.

Our tapestry as a school is woven with the threads of diversity, shared values, and collective efforts. Each member of our village—parents, teachers, and students—plays a unique and vital role in creating a safe, nurturing environment where children can grow into capable, resilient, and kind individuals.

To our teachers, thank you for your tireless commitment to our students. Your passion and dedication create the foundation for learning and growth.

To our parents, thank you for your unwavering support. Your involvement and encouragement inspire your children to reach their full potential.

And to our students, you are the heart of our village. Your energy, curiosity, and kindness remind us why we do what we do.

As we celebrate the achievements of 2024 and look ahead to 2025, let's remember that the true strength of our village lies in our shared responsibility, mutual support, and sense of belonging. Together, we are building something extraordinary—an unbreakable community where every child can thrive.

Director of **International Education** Report

International Education Director

Kathleen POWER

2024, the Year of the Dragon, has been a year of intense activity and vibrant cultural exchange at St Paul's International School.

We have welcomed over 400 students on short-term programs from countries including Japan, Thailand, Hong Kong, China, Taiwan, Korea, France, and Italy. These students have experienced a snapshot of Australian school life, either individually or as part of school study tours from our many partner schools.

Our House Groups in Boek, Gladius, Mitre, Scudo, and Taja, have played a crucial role in integrating these students, making them feel like a part of our school community. Their support has been invaluable. Our wonderful homestay families have provided warm hospitality, welcoming these students into their homes. They are the backbone of our program, allowing us to provide visiting students with authentic experiences and forming connections that last for many years.

Our long-term students continue to make us proud every day. They navigate the challenges of living in a new culture, studying in a second or even third language, and many live away from their parents. We learn so much from their determination to succeed and their resilience in the face of new and challenging situations. We look forward to welcoming more new students in 2025 and saying farewell to those students moving on to exciting new adventures. We are very proud of our small group of graduating Year 12 students and wish them all the very best in their future.

The international community at St Paul's is strong and vibrant. We pride ourselves on being a diverse and inclusive community that embraces new cultures and sees the opportunities that come from learning about another person's culture. We have a small but united team who work tirelessly to help all students get the most out of their experience at St Paul's and help them reach their potential.

We would like to extend our sincerest thanks to the entire school community and congratulate everyone on a great 2024. We look forward to 2025, a fresh year with new captains Antonia and Ariana. We will continue to welcome students to our school, find new ways to celebrate cultural diversity, and support our students and their families in their journey at St Paul's.

Chaplain Report

Chaplain

Reverend
Mark LEAM

As I reflect on another year at SPS the notion of community emerges as a guiding light - valued by us all, yet complex and evolving in its expression.

It is something many believe is a strength of SPS, students, staff and parents alike. But what does it mean? Do we all carry a common understanding of what community means? For me “community” is not just a place or a collection of individuals, but rather a shared experience built on compassion, service, and a commitment to one another. It is both tangible and intangible, a tapestry woven from our collective actions, shared faith, and the pursuit of learning.

In the words of Jesus, “Where two or three gather in my name, there am I with them” (Matthew 18:20). Our school community is a living example of this truth. We come together in classrooms, on the sports field, in worship, and in service projects, united by a mission that transcends individual ambitions. Through each gathering, we strengthen bonds and deepen our sense of belonging, anchored in our shared values and faith.

One of the hallmarks of our year has been our commitment to serve others. Inspired by Jesus’ call to “love your neighbour as yourself” (Matthew 22:39), our students, staff, and families have participated in various outreach programs and charitable activities. Whether through charity drives, such as our recent Foundation Day collection or the Share the Dignity drive. Volunteering for Service Learning activities, such as our Wildlife or Habitat corridor, Bald Hills Readers or Eat Up. Or our Vanuatu Outreach trip, we’ve seen firsthand the impact of living out our faith in service to others. In serving, we not only support those around us but also deepen our understanding of what it means to live with kindness, empathy, and humility.

Learning at SPS extends beyond academics. It is rooted in a holistic approach that values character, spiritual growth, and intellectual curiosity. Each subject, activity, and moment of reflection is an opportunity to explore, question, and grow - qualities Jesus himself demonstrated in his life and teachings. By nurturing a love for learning within our faith and learning community, we are equipping young minds to think deeply, act justly, and approach life with a spirit of curiosity and compassion.

As we close another chapter, let us be grateful for the gift of community - the people we journey with, the faith that grounds us, and the purpose we share. In a world often divided, may we continue to build a school community that reflects the love of Christ and inspires each of us to live with kindness, courage, and a spirit of service.

Peace and blessings to all. Reverend Mark Leam

School Captains Report

School Captains

Georgia PETERSON

Elliot ZYLSTRA

This year's theme of 'Seize your Moment!' encouraged students to embrace opportunities across all areas of our community, making the most of their limited time at school. The Student Leadership Team has supported this initiative by fostering and promoting participation across these areas.

This year has been a true showcase of the resilience of our school community. Starting off the year with a lot of change around the school, students and staff alike worked hard to return to a sense of routine. Gradually, everything became familiar, and the community continued growing and flourishing.

2024 saw incredible involvement in extra-curricular initiatives. The year started with launch day, where students were exposed to a variety of committees and clubs, leading to vast sign-ups. Throughout the year, members were involved in a range of activities and events, contributing to the vibrant school culture we know and love. Initiatives such as Junior School reading, Koala Corridor, and the World's Greatest Shave enabled students to serve the community and make the most of their time here. Events such as Blue Day and Pink Day raised awareness and funds for important issues, whilst showcasing the talent and spirit amidst our community.

Furthermore, Athletics, Swimming, Cross Country and the Cultural Carnivale were a brilliant showcase of our school's spirit and extra-curricular talents. The talented musicians here at SPS shone through Music in the Dark, a music tour and Con Brio amongst countless other performances and events.

A student-leader-led Inter-House competition was also implemented, creating further rivalry between Houses. Challenges included dinosaur hunts, trivia, table tennis and dodgeball competitions, whilst points were also awarded for participation in fundraisers such as the Winter Drive and Push-up Challenge. This strengthened involvement in an array of activities, as well as fostered strong house spirit.

The advice and guidance we have received from Mr O'Sullivan Williams, Mr Andrews and Ms Trudgian has been invaluable to our leadership journey. We are extremely grateful and extend our heartfelt thanks to the leadership team, staff and wider school community for the consistent support throughout the year.

We appreciate every opportunity we have had to lead, guide and work alongside you all this year. We are excited for what the future holds in store for St Paul's. But as 2024 wraps up, we encourage you to never take the time you have for granted and to always seize your moment! God bless.

Junior Captains Report

Junior School Captains

Leila MORRIS

Aiden PARKER

Kindness, collaboration, and community were the guiding principles during our time as Junior School Captains.

Throughout the year, we were fortunate to have many incredible opportunities that allowed us to connect with people both within and beyond our school. Our community, including family, teachers, and peers offered constant support, helping us grow as leaders and reinforcing the values that shaped our experience.

Collaboration with our peers and teachers made this year the most memorable of our entire Junior School journey. The standout experiences were Canberra, Emu Gully, and Morphing Week were the absolute highlights, where we embraced new challenges and worked together with others. A special mention goes to the mighty Scudo House, which had an unforgettable year by winning all three Carnivals! These moments, filled with teamwork and taking risks, made our time as Junior School Captains truly exceptional.

Throughout the year, kindness played a vital role in shaping our relationships with our peers and teachers. Their constant support, encouragement, and understanding made it easier to navigate the challenges of leadership. It was through their kindness that we learned the importance of empathy and respect, and it reminded us that leadership is about lifting others up. These connections made our year as Captains not just successful, but deeply rewarding.

We are extremely grateful for all the opportunities we have been provided with this year and we wish the future leaders of our amazing Junior School all the very best.

Academic Report

Academic Captains

Carson KWAN

Sienna SMITH

2024 has been full of ups and downs, but along the way we have learnt a lot about ourselves, this position, and the School community.

We would like to say a big thank you to our committee members. From joining our committee on Launch Day, to World Teacher's Day, to organising treasure hunt activities during Integration Day for Year 7, and welcoming new students and parents on Open Days. Without the support of the School community, none of these events would have been possible. We would also like to express our gratitude for the constant support and guidance that we received from Mrs Bryce during the year. We would have been lost without her advice and kindness.

Our goal for 2024 was to promote academic matters and support the St Paul's community to seize their moments. We strived to make academics not only a matter of schoolwork, but a collaborative and safe environment to improve the learning of ourselves and others. As a result, we would like to introduce our new Homework Club, where teachers, Captains and Secondary students work together and provide lunch time tutoring for students. Throughout the year, we were able to provide time management advice, schoolwork support and content teaching for students. Thanks to all the volunteers and teachers, we are able to support students to reach their full potential.

Junior School reading was a consistent activity each Tuesday morning that allowed us along with our volunteers to read alongside some of the young students at St Paul's. Reading with the younger students allowed for plenty of laughs, growth and building connections that impacted not only ourselves in the Secondary School, but those in the Junior School. We would like to say thank you to both Mrs Connolly and Mrs Wegener, of whom we never would have been able to have these moments of growth without.

It will be sad knowing that we will be moving on from our role as Academic Captains, but we have both learnt so much and look forward to seeing what Jay Lin and Meribelle Radvan bring to the portfolio and to the School community next year in 2025.

Cultural Report

Cultural Captains

Isabel MYLAN

Jodi URLI

As Cultural Captains for 2024, we had the incredible opportunity to engage with our School community through a series of unforgettable events.

Each occasion showcased the immense talent and creativity of our students while fostering a sense of connection at St Paul's School. From celebrating love on Valentine's Day to embracing culture and play during Under 8s Day, and culminating in the vibrant Cultural Carnivale, this year has been a remarkable journey filled with joy and lasting memories.

Our first major event as captains was Valentine's Day, which turned out to be truly special. The School was adorned in beautiful shades of red, pink, and white, creating a festive atmosphere. During Tutor time, we distributed flowers to those who had ordered them, spreading smiles across the School. The lovely sounds of Gordon Tang playing the violin accompanied our deliveries, enhancing the spirit of love and friendship. Thanks to the Cultural Committee, we also organised a bake sale and raffle.

Following that, we organised Under 8s Day, themed "Connecting to Culture through Play." This theme resonated deeply, highlighting the importance of cultural connection through engaging activities. The day featured experiences like karaoke in the Music Centre, allowing children to express themselves through song. Inflatable obstacle courses added excitement, while Community Creating sessions encouraged collaboration and creativity. Bush Kindy provided opportunities for outdoor play and exploration. It was heartwarming to see Junior School students come together, fostering a strong sense of community. The success of Under 8s Day was evident, especially with many Secondary School students eager to help, enriching the experience for younger ones.

The Cultural Carnivale was undoubtedly the highlight of our year. Houses showcased their talents through instrumental, drama, vocal, and dance performances, creating a mesmerising display of our School's artistic abilities. This year was particularly special as Boek celebrated their first Carnivale victory, adding to the excitement of the event. Witnessing the enthusiasm and creativity of our fellow students reminded us of the vibrant cultural richness that defines St Paul's School.

As Cultural Captains, we cherished every moment of this journey. Collaborating with a dedicated committee of students and teachers has been an honour. The events we organised not only provided entertainment but also strengthened the bonds within our School community. We are deeply grateful for the memories created, the skills we've developed, and the friendships that have blossomed during our time in this role.

Global Citizenship Report

Global Citizenship Captains

Ethan ATANASSOFF
BILSON

Nina FENWICK

As Global Citizenship Captains, this year has been a remarkable journey of fostering engagement, raising awareness, and building a more inclusive and connected School community.

We've aimed to promote a sense of belonging and collaboration, and we're incredibly proud of what we have achieved together.

The year kicked off with the "Clean Up SPS" day, a fantastic opportunity to give back to our School and connect with our Junior School partners. It was heartwarming to see students from different year levels coming together to make a positive impact on the environment, reinforcing the importance of teamwork and responsibility.

Harmony Week was a highlight, showcasing the diverse and vibrant community we are all a part of. From trivia games and barbecues to hands-on origami workshops with our Junior School students, the week was filled with activities that celebrated cultural unity and understanding. It truly reflected the spirit of inclusion that we strive to nurture in our School.

NAIDOC Week was another powerful moment in our calendar, allowing us to deepen our understanding of Indigenous cultures and perspectives. The various activities throughout the week opened up important conversations and helped us appreciate the richness of the cultural heritage around us.

The Dignity Drive was a new event to the School calendar this year. With each Tutor Group participating in donating sanitary products to women and children in poverty. Thank you to the St Pauls community for contributing to the huge success of the event, we hope to continue this in future years, giving back to the amazing community we are a part of.

More recently, R U OK Day was a meaningful event that not only raised awareness about mental health but also brought the community together through a bake sale and basketball game. The wide variety of cookies, brownies, and muffins provided by the community created a supportive and compassionate atmosphere, reminding everyone of the importance of checking in with one another.

None of these events would have been possible without the dedication and hard work of our committee. We are incredibly grateful to our team and in particular Ms Van Rosmalen for her ongoing guidance and support. As we look forward to the coming year, we hope to inspire future students to continue these efforts and make their own positive mark on the School community.

Service Learning Report

Service Learning Captains

Shivani DEOJI

Max HERING

This year has been an incredibly fulfilling journey for Service Learning, as we explored a variety of ways to serve and support the community. With over 100 students from all grades involved, we encouraged everyone to embrace new challenges with a servant heart and “seize their moment” in supporting the St Paul’s community.

A highlight was the launch of The World’s Greatest Shave, a new initiative that turned out to be a great success. In early March, we sought volunteers to shave their heads for the Leukemia Foundation, and the response was overwhelming. Over 30 students, along with two brave teachers, Mr Woods and Rev Brown, participated. Through fundraising efforts, including a barbeque and bake sale, the committee raised over \$5,400 for blood cancer research – a truly remarkable effort.

Committed to environmental sustainability, we continued the Koala Corridor tree planting project, helping to restore vital wildlife habitats. This year, we went further by nurturing the previously planted trees, ensuring they remained healthy. We also held termly ‘Clean Up SPS’ days, showing our dedication to preserving our school grounds.

Service Learning also led several impactful initiatives, including the ongoing ‘Eat Up’ project, which provided pre-made lunches for disadvantaged students, and the new Stationery Drive, repurposing supplies for rural QLD communities. We partnered with the Global Citizenship committee for ‘Warmer Winters for Australia,’ offering warm clothing to those in need.

We couldn’t have achieved so much without the tireless support of Ms Bianchi and Rev Leam, who provided constant guidance. We are eternally grateful. A heartfelt thanks also goes out to all the dedicated Service-Learning members; it has been an honour to watch the committee grow and become an integral part of St Paul’s culture and we can’t wait to see what great adventures lay ahead.

Commissioning Service

At the beginning of Term 4, the School officially commissioned Mr John O'Sullivan Williams as the 5th Principal of St Paul's School. The day was incredibly special with students, staff and dignitaries all participating to formally recognise Mr O'Sullivan Williams as Principal. Thank you to the dedicated staff and students for the efforts they put in to make the day so memorable.

Junior School Village Opening

What a fantastic day it was when we celebrated the grand opening of our Junior School Village in April! The afternoon was filled with joy and laughter, with a BBQ, jumping castles, and face painting bringing the community together.

We were honoured to have Archbishop Jeremy Greaves join us and share words of encouragement for our community. This event marked an exciting milestone as part of Project Flourishing Futures, the complete refurbishment of the Junior School.

International School

International School Captains

Nancy LUO

Tim KRIVYK

As International Captains for 2024, we are proud to reflect on a year of remarkable growth and connection within our international community.

Our primary aim this year was to foster a more inclusive environment and strengthen the bonds between international and domestic students. With our International The committee is now 75 members strong, and we've worked tirelessly to create opportunities for cultural exchange and mutual understanding. This year has been filled with vibrant events, meaningful collaborations, and significant strides in building a truly global school community.

One of our most visually striking achievements was the decoration of the Sutton building with colourful lanterns and intricate origami creations. This beautiful display not only symbolized the warmth and diversity of our international students but also represented the helping hands extended by our local students in creating this welcoming environment. We started the year by celebrating Chinese New Year for the Year of the Dragon, packing fortune cookies with positive messages for our staff as a gesture of appreciation and cross-cultural sharing. During Orientation Day, our committee played a crucial role in assisting new students, helping them purchase their uniforms and conducting school tours, which set a positive tone for the year ahead.

Harmony Day, organised in collaboration with the Cultural Committee, stood out as a particularly significant event on our calendar. We celebrated the importance of inclusivity, respect, and the richness that cultural diversity brings to our school community. It served as a powerful reminder of how our differences make us stronger when we come together. Throughout the year, we had the pleasure of welcoming study tour groups from Taiwan, Japan, France, and more, providing wonderful opportunities for cultural exchange and forging international friendships. These experiences have truly embodied the spirit of global citizenship and enhanced our understanding of different cultures.

As we reflect on 2024, we're filled with gratitude for the experiences we've shared and the bonds we've formed. We'd like to extend our heartfelt thanks to our dedicated International Committee members for their hard work and enthusiasm. A special mention goes to Ms Power, Ms Turner, Ms Nakashima, Ms Sutherland, and Mr Wong for their unwavering support and guidance throughout the year. Our school community has made significant strides in bridging cultural gaps and fostering a more inclusive environment. We're excited to see how these connections will continue to flourish in the years to come, and we're confident that the foundation we've laid this year will serve as a springboard for even greater cultural understanding and cooperation in the future.

BOEK

What would you have said if we told you Boek was going to break into the top 3 for the first time in history in 2024?

For many, this always seemed like an impossible curse to break, but we always knew in our hearts of gold that Boek House was destined for glory. We got our first sense of victory in the JTAS interhouse touch carnival, tying 1st with Gladius, which set us up for the great year ahead.

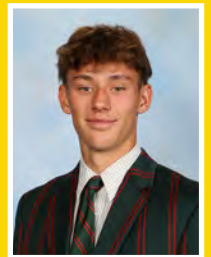

It wasn't until cross country however when our spirit really began to ramp up. Cross country was a great opportunity for the house to begin to unite as one, which was demonstrated by our mounting participation and resulted in a 2nd place finish in spirit. However, by the time athletics carnival rolled around, Boek House had become an unstoppable golden force to be reckoned with. With incredible numbers from the house giving performances of their lifetimes, history was made. Boek came 2nd, and what a day it was.

After a thrilling sporting and spirit chapter closed, our focus shifted to the long-awaited Carnivale. Our instrumental, drama, dance and vocal acts were working long hours to prepare Barbie boxes, Truffula trees and large Sippers cards. As the pressure built, other houses started to become "very suspicious" of the acts of Boek House. Every member of Boek House seized their moment, including the incredible Grade 2's, to help lead Boek House to victory, winning our first ever trophy and entering Boek House into the record books. We are beyond proud of every single member of the house for their efforts throughout Carnivale proving how willing and strong spirited Boek house is – demonstrating our motto, Umuntu Ngamuntu Ngbantu.

We trust that Boek House is ready to make its mark in 2025 with Samantha and Hannah leading the way, and there is a lot more gold in the near future. Leading Boek House in 2024 was one of our greatest achievements and we thank every member of Boek House for making this year so special.

BOEK House 2024

GLADIUS

2024 has been a busy and successful year for Gladius House, with Carnivals, social nights, barbecues, and much more.

“The key to a 3-peat is change. You can’t ‘repeat’ the formula. Your opponent has already figured it out. You have to keep growing.” — Phil Jackson

Change we did.

Our faithful Gladiators rallied to take home the Spirit Trophy not only for Swimming, but also Cross Country, and to complete the trifecta and Athletics Carnival as well. We are incredibly proud of all our Gladiators. Adapting our mighty war cry, we overcame all adversities to complete undoubtedly, the greatest spirit achievement of the St Paul’s Interhouse modern era.

We started off the year with a nail-biting close second in the Swimming Carnival at Burpengary. In light of this, we inaugurated our 2024 Gladius House Council, working on ways to retain our Spirit Trophy, and grow stronger connections across all areas of Gladius.

In early Term 2 we had the Cross-Country carnival where we finished second once again. Heartbreak, softened only by yet another convincing spirit victory. Our House Council spoke pure words of wisdom, and from this wisdom, came our House social night, celebrating Despicable Me, playing volleyball, and eating far too much popcorn.

Term 3 brought the Athletics Carnival, and with this, the ‘impossible’ spirit trophy three-peat. We carried this momentum right into Carnivale at the end of Term 3, which our Gladiators had been practicing hard for all term. The theme across the four acts was ‘movie marathon’, with Vocals singing ‘Unwritten’, and Instrumental doing a funky version of Soul Bossa Nova from Austin Powers. Dance performed a superhero mashup, and Drama took everyone on a tour through the St Paul’s School of Witchcraft and Wizardry, in a Harry Potter Skit. Across all acts, our true potential and diversity were demonstrated, with unmistakable Gladius House spirit on display one final time.

GLADIUS House 2024

MITRE

In 2024, Mitre House fully embraced our motto, “Be bold, be willing, be loyal,” and lived it through every endeavour. While this may not have been a year of the best results, it was one where we focused on building something far more important.

This year marked the beginning of a new era for Mitre as we shifted our focus toward building a more inclusive and welcoming community for all members of the House. The year saw new initiatives to strengthen bonds, create a sense of belonging and foster community.

This year, Mitre House truly embodied the “be bold” part of our motto, especially at Interhouse Carnivals. When events needed filling, many of our members stepped up with courage and determination. Even though they weren’t necessarily skilled in those events or had experience, they didn’t hesitate to put their hands up and give it a shot. Their boldness showed that success isn’t just about winning, but about having the courage to try something new and representing the House with pride. This bold spirit strengthened our unity and motivated others to step up as well.

Mitre fully embodied the ‘be willing’ aspect of our motto this year from volunteering to help in Whole House to making banners for Interhouse Carnivals. This year as House Captains we focused on creating an inclusive environment for all and fostering a community where everyone is willing to get involved in many aspects of the house. An example of this is the banner making days we held during Tutor Group before the Cross-Country Carnival. This provided those who don’t enjoy the Sports Carnivals as much an opportunity to get involved in the carnival in a creative and different way.

Mitre House showed incredible loyalty this year, especially during the Carnivals. Even when we didn’t achieve the results we had hoped for, the Whole House continued to give their all at every event. Despite the setbacks, there was no wavering in our commitment to the House. Each Carnival saw us return with the same energy and determination, showing that our loyalty wasn’t tied to winning, but to supporting each other and representing Mitre with pride. We stayed true to our House, pushing forward together, proving that loyalty runs deep in everything we do.

We have felt extremely privileged to lead Mitre House this year alongside Mr Fenwick and cannot wait to see what the future holds for Mitre.

MITRE House 2024

SCUDO

What a year 2024 has been! Despite changes in buildings and staff, Scudo continued to excel!

Our main goal this year was to strengthen connections and spirit within the House. We kicked off with a Year 12 and Year 7 movie night, which helped the younger students feel more comfortable transitioning into Secondary School. The event was a success!

In Term 1, Scudo dominated the Swimming Carnival, winning the trophy for the fourth consecutive year. The Cross-Country Carnival in Term 2 didn't see us take home the trophy, but our spirit shone through with strong efforts and standout performances in every grade. Term 3 brought the Athletics Carnival, where Scudo athletes earned many ribbons. Though we missed the Spirit trophy, our decorations and enthusiasm were remarkable. Later, Carnivale was another highlight, with fantastic performances by all Houses. Scudo came in a close second, an impressive result for such a busy term.

As Scudo Captains, we aimed to boost house spirit with new initiatives. The Scudo Leadership Team, with emerging leaders from Years 9 to 11, has been invaluable in organising events and strengthening involvement. Another hit was Wacky Wednesday, which turned every second Wednesday into a day of fun and friendly competition. Activities like Just Dance, chess, and tic-tac-toe basketball brought everyone together, with the amazing Scudo 7 winning the Tutor challenge for the first time.

Scudo House has shown courage, honesty, unity, and an unstoppable spirit throughout 2024. We are so grateful for the opportunity to be your captains this year and wish the best for the future of Scudo, we know you'll smash it.

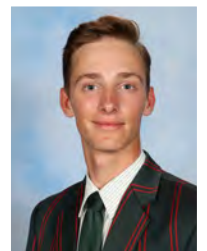

Go Scudo!

SCUDO House 2024

TAJA

2024 marked one of the most successful years in history for Taja House, not only with the outstanding results in Interhouse Carnivals, but with the vibrant culture and community fostered by all of the House members. As House Captains, we acknowledged the success of the previous Captains, leading us to develop the goal of expanding upon the work done before us while preserving traditions, harnessing the idea that ‘United Strength is Stronger’. The results of the House in 2024 speak for itself regarding our success in doing this.

In the Term 1 Swimming Carnival, Taja finished 3rd. It was a respectable finish, but we knew that Taja had so much more potential than that. That’s when we resorted back to the foundations of Taja House, ‘United Strength is Stronger’. If we were able to improve how united we were in Carnivals, then the results would inevitably follow. Next up was Cross-Country, which we felt well prepared for by focusing on creating an energetic atmosphere through decorations, support, and participation. On the day, the House felt more united than ever. And once again, we proved that united strength never fails, winning the Cross-Country Carnival for 2024!

Although, we weren’t done yet, we wanted to prove that united strength was the key to success, so what better way to test our theory, then to win the carnival that Taja never had before, the Athletics Carnival. On the day of Athletics, the Taja area was pumping, and the support and participation was through the roof. As a result, for the first time in the history of Taja House, we were Athletics Champions!

Lastly, there was Carnivale, and just as Superman has his Kryptonite, and Achilles has his heel, Taja too, has our weakness. However, although finishing tied for 4th, we were extremely proud of our efforts this year in Carnivale, even winning the Instrumental section.

Overall, as 2024 House Captains, we couldn’t be prouder of Taja. This success is only possible because of our dedicated members of Taja, Mr Wilson, our staff, and all the students of this great house, we thank you for this year and look forward to seeing Taja grow in the future.

Extra Curricular Music

Executive Music Captains

Matilda SEMMLER

Gordon TANG

2024 was an incredible year for our music program.

The year started with music camp, where our younger music students visited Luther Heights Youth Camp in March to grow their musical talent. By the end of the camp, students had improved greatly on their music and made a continuous effort to extend their skills. In April, our St Paul's Singers members went to a choral retreat at Camp Warrawee, where they had the chance to solely focus on their pieces and vocal abilities.

Term 2 marked the beginning of our annual Solo Competition, where students from Years 7-12 had the amazing opportunity to compete against each other for first, second and third place in their respective age group categories. In this event, we had over 79 students enter and compete, which made everyone step up their game! In the final round, this year's adjudicator was triple-Grammy-award-winning flautist, Tim Munro, who is an associate Professor at the Queensland Conservatorium, Griffith University.

This year, we were honoured to participate in a music tour around Queensland. The music tour was an amazing experience despite its early end. After the first two days of rehearsing, we visited Riverside Christian College for workshops with their bands and performed a concert for younger students. Unfortunately, the fourth day's performance at Urangan Markets was cancelled due to illness, but we still enjoyed the markets and pier. We had to return home early, but we made great progress with our pieces and performed them at the Year 12 Art Exhibition.

Another standout event was "Jazzin' Up the Mall," a public performance at Queen Street where our students displayed their talents and received valuable feedback from professional musicians.

We concluded the ensemble year with Con Brio, a joyous celebration of our musicians' accomplishments. While there were a few tears, it was a fitting final performance for our senior students at St Paul's.

It has been an absolute privilege to serve the Music Department this year and collaborate closely with the students and teachers of the Music Centre. We want to extend our heartfelt thanks to the Music Supporters' Group, the staff, the Tech Team, and the other Music Captains whose hard work and support have made the year's events possible. We both wish the 2025 Music Captains nothing but success throughout the year in everything they strive to accomplish.

Music Captains

Back Row: Coby Watson, Jackson Toye, Jacy Morgan, Gordon Tang, Jemma Cross

Front Row: Srida Baji, Cohen Farquhar, Matilda Semmler, Layla Heard, Phoebe Bradshaw, Bridie Miller

Acoustic Guitar Ensemble

Back Row: Mr Cameron Burrige (Conductor), Ryan Wong, Carson Kwan, Felix Wang

Front Row: Leon Van Der Hoek, Cia Chueachom, Katelyn Nash, Zaydia Smales

Absent: Sanvi Nair, Nayan Muthana, Buster Hryckow

Extra Curricular Sport

Executive Sport Captains

Lucas MERRITT

Holly OATES

As your Sports Captains for 2024, it has been a great privilege to serve and help lead the sporting landscape here at St Paul's.

From day one we have strived to continue previous events and ideas that have been put in place before us as well foresee the growth of new and emerging initiatives. This could be seen by the amazing successes that were Pink and Blue Weeks, in which our community engaged in a wide variety of activities, games and trivia, capping it all off with a home game dressed in the colours of pink or blue. However, the successes of these weeks were not possible without the generosity shown by our community in raising money for breast cancer awareness and men's mental health.

Furthermore, we cannot overlook the incredible success that was the 2024 trimester of TAS Sport. The hard work and dedication from all the students who were involved in Sport this year should be strongly. However, we as Sports Captains were most proud of our School spirit that shown through win, loss or draw and the determination, perseverance, resilience, and sportsmanship that accompanied that from every single person that represented our school. This spirit was also on display throughout our Interhouse Swimming, Cross Country, and Athletics Carnivals. We saw some remarkable individual performances over the year, however, the outstanding participation across the Houses is what resulted in what was an incredibly tight overall House competition.

Nevertheless, no sporting event at St Paul's happens without the hard work, effort, and planning of a group of people behind the scenes, these include a huge range of people from parents, Supporter Groups, teachers, ground staff, coaches, and to our amazing Sports Committee. However, none more hard-working than our incredible Head of Sport, Miss Litherland, as well as our Extracurricular Co-ordinator, Ms Fraser. Everything to do with Sport at SPS can only happen due to the countless hours of work and effort they put into our community, and we thank them massively for all that they have done throughout the year.

We could have not wished for a better year as your Sports Captains, and we thank you all for the support that you have given us throughout our journey. We hope that you strive to continue this next year as we now pass you onto the very capable hands of your 2025 Sports Captains who we wish nothing but the best of luck with all their endeavours.
